nue and Other Streets.

Threaten to Strike To-Day.

Notwithstanding that the work of repaving

what else takes place," said Secretary Grant this morning. "Those two branches of the count for the next six months.

No One Seems to Be Looking for Mamile Hannan's Companion.

What else takes place," said Secretary Grant the Government a vote on account for the next six months. The Prime Minister's announcement caused them we rely to win. That they are standing a great sensation in the Hannan's Companion.

"The nomination lies between Blaine and Harrison sure, and in my opinion Blaine will doors of St. Bartholomew's open at 9 o'clock this morning, when people began to gath r to them we rely to win. That they are standing a great sensation in the Hannan's Companion. firm is known by the way they continue to ally taken to portend that the dissolution of The church bar been divided at about the to be used before the convention. If the

the evidence of Lizzie glawlor, who, Mamie going back to work, but it makes no differsusy, was present when the alleged assault upon her was committed. So far the Lawlor woman has managed to evade those who are of our organizations and are necessarily the weakest, and the contractors would, of course, attack the weakest point first."

The unions have great faith in their ability formed on May 15, and its practical over-the street for the appearance of the funeral majority of the delegates favor Harrison as

of the first committee this morning, "have failed to keep their agreement. They assured us that union men would be given the work. When asked about the matter this morning of the first count of the partners of the partners of the first count of the first count for that, too, because I'm not interest up in this affair, and ne will have to account for that, too, because I'm not interest up in this affair and I won't have anything to do with it.

"My sister is married and it is her numbered part to defend her. The Hannan part span ay sister is directed, but the first count for the first partners on streets. Lizzle's other brother, who the first have any band in it.

As it locks now no one is really making an effort to have the Lawior woman at the hearing next-Tuesday. When the case comes up the first count and lams she has asked the police to find the Lawior woman, as she herself.

Both those officials," said a member of the brite chis morning, "have failed to keep their agreement. They assured us that union men would be given the work in the count of the first and the to keep their agreement. They assured us that union men would be given the work in the count of the first and the first and in the heart she got to prove," on timed Mr. Lawior holty, "He has dragged my name into this affair, and ne will have to account for that, too, because I'm not inited the number of the part of the work in the count for that, too, because I'm not inited the number of the part of the work in the part of the part

Mrs. Hannan claims she has asked the police to find the Lawlor woman, as she herself has no money to spend in hunting for Lizzie. Unless she can get some other witness to prove that the couple entered the salson, Dailey's friends think the charge will be thrown out for lack of evidence.

Dailey's position will be in dadger, however, on account of his naying gone off his post and out of his way to arrest Mrs. Hannan. If Policeman Lawlor carries out his threat, made this morning, Dailey may also have to answer the charge of Gelamation of character.

Justice Faintor, before whom the charge against Dailer was made in the Essex Marsial types and the Housesmith's Union, and Taylor, of the Public Cartmen's Unio TWO MORE STRIKES IN PROSPECT.

JOHN VON GLAHN APPOINTED. Register Fitzgerald Appoints Him

Deputy in Place of Hanley. Ex-Excise Commissioner John Von Glahn was this morning appointed Deputy Register by Register Frank T. Fitzgeraid, in place of John Haniey, who will be made chief clerk. The deputy's salary is \$5,000 a year. In order to make a place for Yon Glain the office of chief cierk, which was abolished, has been revived. changes will not take effect until June 1.

White Caps That Need Taming. TUNNEL Hitt, Gs., May 27.-A band of White Cap desperadoes have visited this place and been guilty of every act short of

murder. At an early hour on Wednesday moraling they toreed John Myers from his house and gave him 150 lashes. They nearly killed a blind negro and administered seven-ty-five lashes to a negro woman. Committed the "Whistling Kid." Tommy Ryan, known in Park Row as the

Whistling Kid," was to-day in the Tombs Court committed to the care of the Children's Society. The little fellow is only eleven years of age. His home is at 50 Laight street. He was caught at a late hour last night working the "crying game" at the foot of the Elevated station at the Bridge entrance.
